

Bishop's Committee Retreat

March 2, 2019

Positives:

December for Fishline Christmas Program, Community Meals a reality, training for readers, compline service, mailing list, formation of ministry groups, generosity of diocese, new families, pastor on premise, Bible study, other groups sharing facility, nursery, painting/electrical/fire, artwork, organist, decluttering

Negatives:

Water issues, lack of good signage, Laura's lack of hours/funding, too much to do for the number of hands available, burn out, wardens maxed out
